

Benchmarking Roundtable 3-day Bootcamp

Topic: Corporate Social Responsibility (CSR)

Background & Rationale:

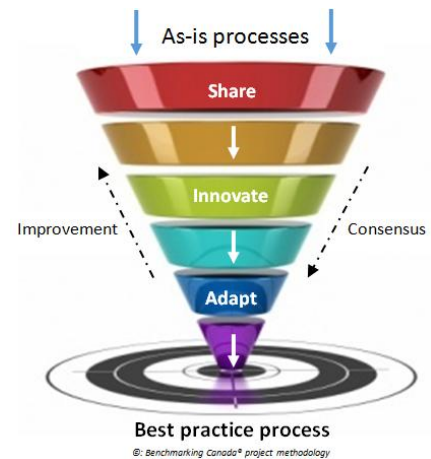

Organizations are under increasing pressure from investors, consumers, competitors, markets, society, employees, governments, globalization, technological advancement, rapid information access and automation to devise and implement an ethical, sustainable and transparent CSR strategy. What is your organizational CSR approach? Is CSR merely treated as a public relations exercise? How do you make CSR sustainable? What is your approach towards engaging all relevant stakeholders in devising your CSR strategy? What are your organizational challenges? Does your CSR approach promote innovation? Is CSR integrated with your organizational performance management framework? Does CSR have a line-of-sight to the corporate strategy? How does your organization monitor CSR ROI?

Join the *Corporate Social Responsibility (CSR) Benchmarking Roundtable* bootcamp and improve the process, adoption and generate greater ROI
