

## Benchmarking Roundtable 3-day Bootcamp

### Topic: Risk Management

#### Background & Rationale:

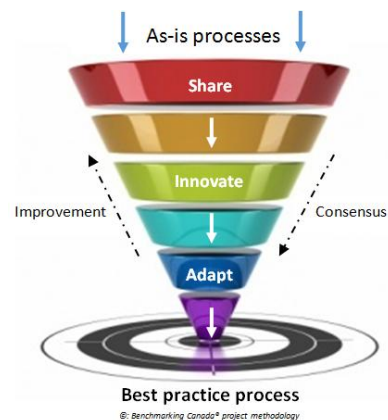

Financial, societal, environmental, reputational, legislative compliance, safety, international standards, frameworks, governance, ethics, technology, globalization, mergers, acquisitions and multiple other factors can impact organizational risk management effectiveness. What is your organizational approach to Risk Management? Have you documented your corporate risks? Have you identified process risks? Are the process risks aligned to the corporate risks? Where does Risk Management responsibility sit in your organizational chart? What is your approach towards stakeholder engagement and collaboration? How do you ensure sustained executive management interest, involvement and sponsorship in risk management initiatives? How do you align Risk Management to the organizational strategy? How does Risk Management impact and influence the corporate culture? What are your organizational challenges in implementing risk management?

Join the *Risk Management Benchmarking Roundtable* bootcamp and learn from the experience of other organizations in realizing greater efficiencies.

#### Objectives & Methodology:

Benchmarking Roundtable bootcamp objective is to facilitate a diverse sector benchmarking workshop for achieving breakthrough improvement, with minimal resources and cost.

Bootcamp follows the Benchmarking Canada™ methodology (shown on the right) which is based upon an outside-in perspective for co-creation. It nurtures innovative and out-of-the-box thinking designed for achieving practical, quick and readily adaptable solutions.
